PLYMOUTH-HOLDERNESS NH ROUTE 175A
BRIDGE TO BE CLOSED FOR TWO DAYS

The New Hampshire Department of Transportation announces the planned closing of the NH Route 175A bridge over the Pemigewasset River in Plymouth-Holderness for two days, from Tuesday, September 7 through Wednesday, September 8, 2004.

This bridge and road closure will be necessary in order to perform work associated with underground gasoline recovery and containment in the area of the bridge.

NH Route 175A will be closed to through traffic at the bridge from 7:00 am on September 7 until 7:00 pm on September 8. Detour signs will advise motorists to access downtown Plymouth via Exit 26 on Interstate 93.

This \$1.5 million project involves utility relocation and gasoline recovery and containment. Winterset, Inc. of Lyndonville, Vermont is the general contractor for the project, which has a completion date of October 1, 2004.
